

PRESS RELEASE – September 18, 2019

It was an honor for St. Stephen's Episcopal Church in Millburn, NJ to host lunch at Christine's Soup Kitchen. Volunteers from the congregation along with family and friends offered a delicious meal and fellowship to those in need.

Christine's Kitchen is a free hot lunch program served weekly in the Guild Hall of Holy Trinity Parish in West Orange, New Jersey. The number of guests served each week ranges from 75-100+. Although the program is coordinated by Holy Trinity, and is located in their parish, they are grateful for the participation of many congregations, like St. Stephen's, and community groups in the area, who give of their time and food. Volunteers cook, clean up, and bring all needed supplies. For more information about Christine's Kitchen, please email holytrinitywo@gmail.com.
